Messiah

This year the Messiah was presented in the College Auditorium with the choir under the direction of Mr. Archer Hayes and the orchestra under Mr. Heimo Loya. The combined group did a beautiful job of singing and playing the music that has become a part of the Christmas season. In addition to the many students included in the group many towns people took part. The program was beautifully done and everyone concerned is to be complimented.

Student-Faculty Committee

The purpose of this committee is to promote better relationships between the faculty and the students of the college. The group freely voices their opinions on many topics of mutual concern. The committee is made up of seven members from the faculty and one representative from each fraternity, sorority and independent organization on campus.

Student Court

This year the Student Court is composed of five senior men, who were selected by the faculty on the basis of leadership, dependability, and school service. This group rules with justice and has jurisdiction over all campus regulations.

Sitting: Forsyth, Beabout, Heron, Wachsmann.
Standing: Cook, Jones, Brunner, Phelps.

Sally Smith — Freshman Tau Pi

Tau Pi

Tau Pi is an honorary fraternity for women corresponding to the national honorary society, Mortar Board. The old members pick the most outstanding junior girls each spring to be the coming year's members of Tau Pi. Qualifications considered in selecting these girls are scholarship, personality, and activities. Also each spring Tau Pi awards a cup to the most outstanding girl in the freshman class, and sponsors a scholarship for an outstanding senior girl.

Sigma Omicron Mu

Sigma Omicron Mu is an honorary scholastic fraternity for juniors and seniors who have made a grade average of at least 3.5 for four semesters, two of which must have been consecutive. This organization, which was founded on Monmouth Campus in 1926, is equivalent to the national Phi Beta Kappa. The fraternity sponsors Scholarship Day each semester, at which time new members are tapped.

Sitting: Fleming, Wachsmann, Wood, Peterson, Bowker, Cook. *Row 2:* Bond, Forsyth, Brooke, Rintoul, Ralston, Henry, Romine. *Row 3:* Bostwick, Nichol, Marxman. *Missing:* T. Hodge, Landers.

Phi Eta Mu is the freshman men's honorary scholastic fraternity here at Monmouth. Dr. Hugh Beveridge is the founder of the group and also acts as faculty sponsor. In order to become a member in the organization a freshman must maintain an average of 3.5 in his first semester or in his first two semesters combined.

Sitting: Nichol, Marxman, Sellers, Bond, Denniston, Bostwick, Chong Ng. *Standing:* Rohlfs.

Phi Eta Mu

Pi Gamma Pi

Freshman girls attaining a 3.5 for the first semester, or a 3.5 average for the year are eligible for membership in Pi Gamma Pi. Membership in this fraternity lasts as long as the girls are enrolled at Monmouth.

Row 1: Ralston, Henry, Camenisch, Minot, Noton. *Row 2:* Trembly, Wood, Romine, Cook. *Row 3:* Rontoul, Bowker, Wachsmann, Harmon.

Who's Who

Each year, a campus nominating committee considers students for national recognition in "Who's Who." This plan originated fourteen years ago with the idea of creating a national recognition of students, devoid of politics, initiation fees, and dues. Students considered must be high in activities, scholarship, effort and service to the school. This year, eight outstanding seniors will appear in "Who's Who."

Left to right: Atchison, Nichol, Landers, Brown.

Women's Government

Sitting: Bondurant, Phelps, Brunner, Fasick, Harmon, Hofstetter.
Standing: Jones, Wachsmann, Forsyth.

The Women's Governing Board is composed of 10 senior women, two from each social organization. Five are chosen by the preceding year's board and five are elected by the women students. The purpose of the group is to enforce the dormitory regulations and to represent the desires of the women students to the administration.

Y. M. C. A.

*Sitting: Dr. Gamer, Allin, Prof. Finley.
Standing: McKellar, Rohlf, Keller.*

There is no doubt that the YM is a very important and helpful group here on the Monmouth campus. Besides working close beside the YW on many projects the group heads such activities as the Christian Service programs, the Thanksgiving and Easter Services, YM movies, and the YM book exchange. Most of the men on the campus are a part of the YMCA, which is headed by Jerry Allin.

Y. W. C. A.

The YWCA is made up of an association of all the women students on the Monmouth College campus. This group plays a very important part in the campus scene, as is shown by the important social functions it heads. Among these are Freshman Week, the Sadie Hawkins Day Dance, and the Red Book. In addition to these important activities the YW is active in the promotion of Christian life on the campus. The group does a large part during Religious Emphasis Week and during chapel services.

Supper Club Council

The Supper Club Council is composed of ten members which are appointed by their respective social organizations. The Supper Club has taken the place of CCA and the Sunday evening programs at the churches. They meet every Sunday evening from 5:30 to 6:30 in the union. The program consists of a supper, group singing, scripture readings, and prominent speakers and movies.

The student staff is under the supervision of Miss Mary McCoy, head librarian, and Mrs. John Bradford. Each student works an average of ten hours at the desk, in the office or in the cataloging room. While helping others to locate material, staff members soon learn much about libraries, and some have taken further training to become full-time librarians.

The American Chemical Society is composed of most of the chemistry majors on the campus. The group is affiliated with the national group of the same name. The meetings are held once each month at which time outside speakers discuss the many different fields open to chemistry majors. In addition, the members plan a tour each year of some of the outstanding research and chemical laboratories in the area in order to get some first-hand knowledge of the vast field of chemistry.

Founded in 1928 with the purpose of binding together the different social organizations on the campus the Octopus Club is made up of eight of the outstanding men in the senior class. In previous years membership in the organization was kept a secret until the Ravelings revealed their true identities in the Spring. This year however the group was given full recognition as a senior men's honorary society. This year's membership celebrated their official recognition by putting a new coat of paint on the walls of the Student Union. The members of the Octopus Club will be announced as soon as they are elected by the present membership.

This year's frosh football team was a spirited and scrappy group of football players. They put in long hours of practice and spent much of their time preparing the varsity for their games by running through the plays of their opponents. The team did get two games of their own with the Knox freshmen winning one and losing one. There is little doubt that this year's frosh will produce some much needed help for next season's varsity.

This year's frosh basketball team showed a great deal of potential and constant improvement throughout the season. Under the able guidance of Coach Ed Saville the team managed to do rather well in its abbreviated schedule. This year's team had a good deal of height and with the valuable experience they received this season they will be in the thick of the battle for berths on next year's varsity quintet.

Among the many activities sponsored by the club each year are the selling of refreshments at the football and basketball games, publishing and selling athletic programs, and issuing the M Club Scholarship to an outstanding freshman athlete. The purpose of this organization is to promote a greater interest in sports of all phases. This past year has been a highly successful one for the club which this year was under the leadership of Laird Willson.

In charge of WAA are their annual freshman breakfast and play days.

P. E. Majors Club

Monmouth's P. E. Majors' Club is a branch chapter of a national organization. Under the sponsorship of Miss Widule, the club strives to learn new and better methods of physical techniques and instruction plus news in the sports world. They help to plan play days both here and at other colleges.
